

UNITED AGAINST ONLINE ABUSE

COALITION TO STOP HATE SPEECH IN SPORT

Dear Members,

I hope this letter finds you in good health.

I am delighted to introduce a comprehensive package designed to support your Member Clubs' engagement in the United Against Online Abuse (UAOA) campaign. The launch package includes:

- A members-only safeguarding guide to navigating digital spaces.
- A social media template kit and 5 supporting stock images for your platforms.
- An events sheet where you can register your interest in hosting the UAOA team and UAOA workshops in 2024.

In the upcoming year we will be expanding these resources to include further educational materials, updates on ambassadorial networks, online abuse glossaries, campaigns, and quarterly newsletters. All of these items are tailored to empower your club in fostering a safer online environment for all involved in motorsport.

I'd like to thank you for your continued support of the FIA, and our collective mission to uphold the integrity and inclusivity of our sport.

If you require further assistance regarding the package or engaging with the United Against Online Abuse campaign please contact Erin Bourke, the Project Leader at ebourke-consultant@fia.com

Yours Sincerely,

Mohammed Ben Sulayem

UAOA Founding Patron and President of the FIA
